

TOUR EXPLORE MONTENEGRO

1st Day - Transfer from Podgorica Tivat or Dubrovnik airport to holiday resort at the coast. Accommodation in hotel 3*– 4*. Dinner at the hotel.

2nd Day – trip from Bar – direction capital Podgorica and Skadar Lake, further north towards Moraca canyon and monastery Moraca. Approaching town Kolasin later afternoon and visit to the National Park Biograd Lake. Visit to the park which is the oldest among five National parks in Montenegro. Later Continuing further north west entering National Park Durmitor which is part of the World Natural Heritage- protected by UNESCO. At the beginning of the National Park a short 15 minutes' walk will be arranged through the ancient Pine Forest towards north west to the holiday resort Zabljak. Later one more stop for making photos, than stop at the river bank from which the rafting is organized every year. Later approaching the Tara bridge the most attractive stop is on the famous bridge over river Tara. Master piece of the bridge engineering built in 1939. Walking along the bridge and making photos of the canyon and the river below. From the bridge continuing the trip to Zabljak. In the afternoon arrival at Zabljak. Panorama drive through Zabljak and stop at the Black Lake – the biggest from 18 glacier lakes in the National Park. Accommodation at hotel 3* or 4* based on HB.

3rd Day – After breakfast we plan panorama drive in the vicinity of Zabljak. Traveling along the narrow country road – direction Sedlo pass at an altitude of 1907 m to the heart of the National Park Durmitor. Amazing mountains, landscapes, lakes and water springs and shepherd summer villages on this half day trip we make shorter stops and easy walking tracks with your guide. In the afternoon return to the hotel. Dinner at the hotel.

4th Day – After breakfast group leave from Zabljak towards Savnik – scenic narrow road through wonderful landscapes

Later approaching town of Niksic and continuing trip to the south east – direction monastery Ostrog..

Visiting Ostrog - Orthodox monastery from 17th century the target of thousands of pilgrims. Church dedicated to St. Basil of Ostrog , believed as the saint which cures. Pilgrims are not only Orthodox but also Catholic and Muslim. After visit to the monastery short break in one of the restaurants and trip back towards Podgorica. Stop in Podgorica centre, sightseeing and individual activities.

Dinner at the restaurant at the shore of Skadar Lake. Dinner choice fish or meat three course set menu. In the evening return to the hotel at the coast.

5th Day - trip to Kotor, visiting the old town, old town green market, and visit to the maritime museum of Kotor and the cathedral of St. Tripun the benefactor of the town /entrance ticket included /. Town of Kotor is protected by UNESCO and it's enlisted in UNESCO-s World Cultural Heritage Shortly after continuing a trip to to Risan see the Roman mosaics and then go to Perast .

Shortly after boarding the boat to the island of ~Gospa od Skrpjela~ and visiting the baroque church

dedicated to our Lady. Entrance tickets for visiting church at the island of our Lady and roman mosaics are included. After visiting the island of our Lady, a trip back to Perast and later same way back to Petrovac. Entrance fees to places of interest mentioned are included in the price. On the way to the hotel stop in Budva and visiting the old town of Budva. Sightseeing with the local guide.

Later free time for individual activities. Dinner organized in a popular Budva restaurant which is located near the promenade.

Dinner choice some local meat or fish specialties.

6th Day - Trip to Cetinje via old serpentine road from beginning of 19th century. Many travelers of that time, famous writers like Bernard Shaw, Pierre Loty, Lord Alfred Tennyson and others passed the same road towards Cetinje former capital of Montenegro and admired the beauty of the view towards Boka Kotorska Bay. Traveling to Cetinje an interesting stop is made in a village of Njegusi, where we stop at the oldest inn in Montenegro founded in 1876 , where guests will try domestic smoked ham , domestic cheese and mead . This typical Montenegrin meal and one drink are included in the price of the tour . Later arrival to Cetinje. Visits to the former kings palace and the monastery of Cetinje are planned . After the break at Cetinje continuing towards the village of Rijeka Crnojevica the village at the foot of a hill Obod where the first printing press was installed and where first book at this part of Europe is printed in 1492. After shorter walk in the village we are boarding the boat at River Crnojevica and traveling by boat into the Skadar Lake – the biggest lake at the Balkan Peninsula , and a great bird reservation in this area.

Boat trip last about 2 hours to the village of Virpazar. Some local snacks and drinks will be served on the boat*Notice food and drinks mentioned here are included in the price of this tour, as well as entrance ticket Dinner at the hotel.et and guiding in the former kings palace included in the price. Late afternoon trip from Virpazar to Petrovac . Dinner in the restaurant at the sea promenade of Petrovac . After dinner return to the hotel.

7th Day - Today's excursion takes us to the old town of Bar , where we are visiting the old town green market . Later we are visiting the oldest olive tree on the Montenegrin coast considered to be over two thousand years old , then continuing our trip towards the southernmost town at the Montenegrin coast –Ulcinj a town close to the Albanian border. Visiting the old town of Ulcinj in 16th century the seat of the cruelest pirates on the Adriatic. Later visiting the long beach of Ulcinj. Almost 13 km long beach of fine gray volcanic sand. And finally visit to the estuary of the river Bojana at the very border between Montenegro and Albania. Late afternoon return to the hotel. Dinner in the hotel.

8th Day – Transfer back to the airport of Podgorica or Tivat, and flight back home.
